Tuesday, August 14, 2012 ~ 1:00-2:00 p.m. Eastern

A price-conscious, value-packed teleconference

The ACGME Next Accreditation System will allow residency programs more flexibility and freedom to innovate. What data about your program will be screened annually by the ACGME and how will they make accreditation decisions? What will site visits be like? What can you do now to prepare for the planned changes in accreditation?

- Describe the annual data elements that will be reviewed by the ACGME
